

## Horton Parish Council

### Grant Awarding Policy

Horton Parish Council allocates a fixed amount of the budget each year to provide support to local groups and organisations that make a difference in the Parish of Horton. The grants are discretionary funding and will be made under Local Government Act 1972 s.137 (LGA 1972 s137) or through other statutory provisions.

Grant funding will be made against a series of criteria, which will include the available budget, the proposal for the use of funding and the benefit to the community of Horton and its residents.

The Council will implement and deliver the scheme.

The budget for grant funding will be set as part of the budget and precept setting processing for the new financial year. This happens in the three month period up to the January meeting.

The parish council must follow appropriate legislation. For this policy and for the grants process, the grants will be separated into two types with two different application periods:

1. Grant awards made using specific statutory powers with a maximum of £1,000 – Specific power enabled grant.
2. Grant awards made under s.137 LGA 1972 with a maximum of £750 – S137

The Parish Clerk will provide advice and guidance to the council on the appropriate legal status of each grant application received.

The Parish Clerk can advise organisations and groups as to the appropriate grant application to make. Appendix 1 contains examples of statutory provisions.

#### **Eligibility criteria**

To be eligible for grant funding the applicant organisation must be a local charity or not-for-profit body operating in Horton and must be one that in some way directly benefits the community of Horton by providing a service/goods that:

- Enhancing the quality of life
- Improve recreation and/or sports access.
- Improve the environment.
- Improve transport links to/from Horton.

## **Timetable for the grant awarding process**

For grant applications under statutory provisions:

For a specific power enabled grant the application period will run from the 1<sup>st</sup> September to 31<sup>st</sup> October for awards to be made in the following financial year.

The review and decision-making process will take place from November to January.

Applicants will be advised of the outcome in February, with successful awards paid in May.

For s137 grants made under s.137 LGA 1972 the council will set a budget for discretionary grants at its meeting in January and set any priority areas for grant awards.

The grant application period will run from 1 February to 31 March.

The review process will take place in April.

Applications will be approved by full council in May. Applicants will be advised of the outcome following this meeting and successful grant awards will be paid.

A timetable is shown in appendix 2.

## **Criteria for determining grant applications**

All applications that meet the eligibility criteria and are submitted during the appropriate application period will be considered by the Council.

The Council take into account:

- If the organisation is based in the parish of Horton and delivers provision in the parish or is based outside the parish but whose provision is delivered within the parish or is openly accessible to residents of Horton.
- The number of Horton residents who directly access the provision.
- Priority provision areas identified by the council ahead of the application process.

## **Grant Application Process**

The grant application period for statutory grants will run through September and October each year. The closing date for applications will be 31 October.

The grant application period for s137 grants will run through February and March each year. The closing date for applications will be 31 March.

The budget for discretionary grants will be set by the council in January. If the council has any priority areas for grant support these will be agreed and published ahead of the opening of the grant application period.

Application forms and details of the process will be available from the clerk and are published on the council website.

Applicants will be required to complete an application form. All questions on the application form should be fully answered and additional appropriate information, which supports an application, should be provided.

In addition to the application form, organisations will be required to provide the following supporting information:

- a copy of their written constitution or details of their aims and purpose
- full details of the project or activity which the grant is for,
- explain how the grant will be of benefit to the local community within the Parish,
- the proportion or number of beneficiaries living in the electoral area,
- demonstration of a clear need for the funding,
- a copy of the previous year's accounts or, for new initiatives, a detailed budget and business plan.

This will be requested for every application.

The Parish Clerk will receive all completed applications and collate these for consideration at the council meeting.

The Council will be notified of all applications received and will review all valid grant applications. Council will make the final decision on which grants to award at a full meeting in May.

All applicants will be contacted following the Council's decision.

Funds available are limited. Questions can be directed to the Clerk where necessary.

All grant awards made under this policy will be made in one payment, usually in May of the awarding year.

## **Conditions of Funding**

The applicant organisation must be either a not-profit or charitable organisation or operate in this spirit in the interests of the local community.

Grants will not be made to individuals.

Grants will not be made retrospectively.

An organisation must have a bank account in its own name. Payment will be made to the named organisation.

The administration of and accounting for any grant shall be the responsibility of the recipient.

All awards must be properly accounted for, and evidence of expenditure should be supplied to the Council where requested. This may take the form of

an annual report or set of accounts which clearly identify the manner of spending. This written report should be deposited with the Parish Clerk. Applicants will be made aware that this becomes a document which members of the public have the right to inspect under provisions of s.228 of the Local Government Act 1972. The council may extend the reporting condition to other grant recipients as part of the awarding process.

A public acknowledgement of any grant awarded should be made by the recipient.

Only one application for a grant will be considered from each applicant organisation in any one financial year.

An ongoing commitment to award a grant in future years will not be made. A fresh application will be required each year.

Each application will be assessed on its own merits.

The Council may make the award of any grant subject to such additional conditions and requirements as it considers appropriate.

The Council reserves the right to refuse any grant application which it considers to be inappropriate or against the objectives of the Council.

Any grant must only be used for the purpose for which it was awarded unless the written approval of the Council has been obtained for a change in use of the grant monies.

Any unspent portion of the grant should be returned to the Council by the end of the financial year in which it was awarded except where, by agreement of the Council, the monies may be carried over to the following financial year.

The Council may make the award of any grant as it considers appropriate in the event of any unforeseen urgent event.

Nothing contained herein shall prevent the Council from exercising, at any time, its existing duty or power in respect of providing financial assistance or grants to local or national organisations under the provisions of the Local Government Act 1972, Section 137.

Applicants should be aware that the Local Government Transparency Code 2014 requires the council to publish details of all grant awards made including the name of the beneficiary, the value of the award and its purpose. This data is published annually.

### **Unexpected Need or Emergency Funding**

The Council may consider applications at any time, provided that the funds are available, and the circumstances can be proved to be urgent. Any support provided outside of the timetable will be at the discretion of full council.
